news from St. James's

From the Rector's Desk

Dear Friends,

Since the day that Curtis told me that he would be leaving us at St. James's to take on his new role as Rector of St. Paul's Fairfield, I have been actively involved in a multitude of interviews and conversations in the hopes of finding the next Assistant Rector of our parish. In the 15 plus years that I have served you as rector, I have had the privilege of working with a number of gifted young (and not-so-young) assistants and associates-- so finding our newest assistant was a challenge in that it was my hope they would follow in this long line of faithful priests.

I am pleased to announce that I was able to find such a person in the Rev. Charlotte LaForest. With the blessing of the executive committee and the Bishops of the Diocese, I offered Charlotte the position and she graciously and faithfully accepted the offer. Charlotte will begin working with us on Pentecost Sunday, May 20. I am quite sure that you will show her the hospitality, care, and generosity of spirit that you are so well known for. What follows is an introduction to Charlotte in her own words.

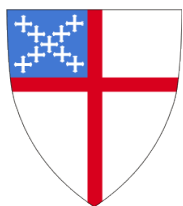

Dear Members of St. James's Episcopal Church,

I am honored and excited to have been called to serve as your next Assistant Rector. I look forward to working alongside Bob, your talented staff, and all of you to participate in the good work that you already do in West Hartford. I was so grateful to have had the opportunity to meet so many of you when I visited in March, and I look forward to getting to know all of you in the course of our ministry together. My letter today is written in the hope of starting that process, by way of introducing myself and giving you a sense of who I am and where I come from.

I grew up in Jacksonville, Florida, where I was actively involved in our Episcopal church, and in our diocesan youth retreat program called Happening (which has recently started here in Connecticut!). I spent twelve summers as a camper and as a counselor at the camp for the Diocese of Florida, a beloved place called Camp Weed. Like Priscilla and Bob, my husband Eric and I met as camp counselors, during our first week of camp staff training when we were nineteen.

I went to college at Georgetown, studied abroad for a year in Würzburg, Germany, and moved to Massachusetts after college to begin graduate school in social work and pastoral ministry at Boston College. Following graduate school, I worked for three years as a hospice chaplain, during which time I began to discern a call to the priesthood. I was sponsored for ordination by St. Anne's in the Fields in Lincoln, Massachusetts, and graduated in 2015 with my Masters in Divinity and Diploma in Anglican Studies from Yale Divinity School and the Berkeley Divinity School at Yale. During my years of study, I had the opportunity to participate in a wide range of internships at sites including the Trinity Boston Counseling Center, Massachusetts General Hospital, Holy Cross Monastery, and St. Mary's Episcopal Church in Manchester, CT.

For the last three years, I have joyfully served as the Assistant Rector at St. John's Episcopal Church in Essex, CT, and in that role I have shared in the preaching and liturgical life of the parish, and have focused on pastoral care, spiritual formation, and intergenerational ministry. I have offered a wide range of educational opportunities including a forum on Images of the Holy Spirit, an intergenerational "Meet the Saints" program, a Prayer Fair, a conversation on Spirituality and Aging at Essex Meadows retirement community, and a Lenten series on Faith and Stories. I collaborated with my colleague at First Baptist in Essex to host a series of Young Adult Dinners, and created a series of ecumenical Advent programs at sites around Essex. I helped develop an intergenerational series of Summer Sundays with opportunities for fellowship, service, and alternative worship experiences, and started a contemplative prayer group, which meets weekly at the church.

In my work in the wider church, I am a founding member of the Women's Ministry Network in the Episcopal Church in Connecticut, and have participated in the Christian Formation and Pray First ministry networks. I have led the Discernment Group for the Southeast Region of ECCT, and recently led discernment workshops at ECCT Spring Training. I have presented on Spirituality and Dying in courses on death and dying at the Loomis Chaffee School, and hosted an "Ask a Priest" event for students last spring. I have traveled on pilgrimage to England and Scotland, and this summer I will begin a two-year term as a Writer in Residence for Young Clergy Women International.

I live on campus at the Loomis Chaffee School, where my husband, Eric, teaches history and directs one of the school's three endowed centers, the Norton Family Center for the Common Good. We share our home with our three children—August (three-and-a-half) and twins Rowan and Evelyn (seven months)—and our dog, Whitman, an eight-year-old Spinone Italiano. I love knitting and reading, though my ability to do these things is limited at times by the busy household I just described. But one interest remains undeterred, and has perhaps only been strengthened by the arrival of our twins, and that is a passion for seriously snooty, overly fancy coffee. Like third-wave, craft-roasted, single-origin, pour-overs, preferably from Papua New Guinea or Ethiopia.

Even stronger than my passion for coffee, my passion for ministry in sharing the good news of how deeply and wildly each one of us is loved by God—just as we are—and for learning how to love like that ourselves. I enjoy looking to the stories of scripture and saints who have gone before us to see how they have learned to love despite their imperfections and the messiness of their humanity. I love to teach about practices of prayer and contemplation that help develop our awareness of God's presence and love, an awareness that has the power to make holy even the most ordinary of everyday tasks.

I am so excited to join you at St. James's on Pentecost, May 20th. Over the course of my first few months, I hope to have many opportunities to get to know you as we participate in the ministries of the parish together, and as we meet for coffee (snooty or unsnooty) and conversation. I look forward to hearing what it is you love about St. James's, and to discerning together what God is calling us to do next.

See you in a few weeks!

The Rev. Charlotte LaForest

From the Organist & Choirmaster

Dear Parishioners,

As of this writing, our organ project is about 90% completed. While we await installation of several stops including the Great Trumpet and Pedal Trombone, the results of the progress thus far has been excellent. The organ has taken on a new sound, one that is richer, fuller, and more flexible.

While repairs and modifications have occurred on an ongoing basis since 1962, the organ underwent a full renovation beginning in August 2017 with the removal of all pipework for modifications, cleaning, and regulation. The remaining chests and winding systems were cleaned and releathered on-site. The console was removed and rebuilt with a Solid State control system, refinished and modified for planned tonal changes. These tonal changes include a rescaled and revoiced Great principal chorus, revoiced reeds throughout, the addition of a Clarinet and Mounted Cornet in the Choir division, a full length Pedal Trombone, and a new Harmonic Flute and Trumpet on the Great division.

Beyond the successful tonal improvements, mechanical refurbishment is completed. We are in the process of adjusting and tuning many of the moving parts. The need for these adjustments is sometimes made obvious when notes become 'stuck' during a choir rehearsal or a service. All organ installations or reinstallations require weeks of troubleshooting and repairs since each instrument is unique.

I have drawn up two pages describing the current resources of the organ, including a detailed indication of alterations and additions. On the left side of each page is a list of numbers, such as "16', 8', 4'". These numbers indicated that the lowest 'C' pipe of that particular stop is 16 feet long, 8 feet long, or smaller.

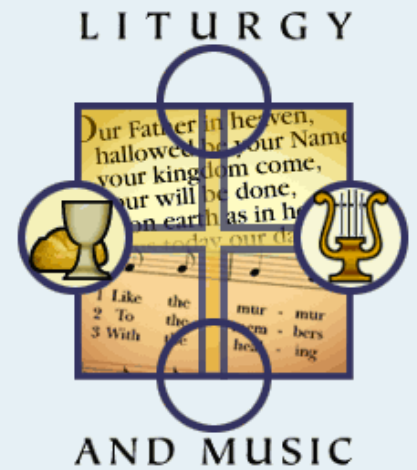

Key terms:

Revoiced – The tonal quality of the pipes have been changed.

Rescaled – The pipes of a stop are made larger. This affects the tonal quality.

Digital – Sound is produced by a high-end speaker array where economy of space doesn't allow for the addition of large pipes.

Copies of the 2018 disposition and modifications can be found in the narthex, the cloister, and on the St. James's website.

Bring a Friend to Church 4

LOVE working at St. James's because we aren't afraid to try new things. We realize that the demographics of our community change over time and we need to change with those demographics or we become irrelevant. As the Director of Family Ministries, that makes my job challenging and fun. I try to understand the needs of our families and figure out the best way to meet those needs.

One thing that we are doing this summer that is new, is I am going to offer four movie nights for children in kindergarten through fifth grade. We will offer movies and dinner on Thursday, June 21 & 28 and August 2 & 9 from 5:30 to 7:30. Cost is \$10 per child with a \$25 family maximum. This is a change from past years when I have done a four-night summer program for kids. Here are some of the reasons for changing what we offer:

- More children are at day camps during the summer than in the past. That means that children are pretty worn out by 5:30 in the evening. Last summer, by the last night of the four-night program, all of us were too tired to enjoy ourselves. By spreading out the evenings over the summer, this should ensure that everyone enjoys themselves every time they are at church.
- We are looking at the summer movie (and did I mention we will feed the kids!) as a tool to introduce new families to the St. James's community. Like the old Mom's Morning Out Program, parents who are not members of St. James's can bring their children to the movie nights. We are hoping that young families in the parish will invite friends to join them for dinner and bring their children to the movie nights.

- Many families go on vacations during the summer. By spreading out the evenings throughout the summer, we are hoping that more children will be able to come to the movie nights.
- By spreading out the nights throughout the summer, it is easier for me to get high school and middle school helpers. They don't need to commit to every Movie Night.

So that is the idea behind our Summer Kids Movie Nights. If you are a grandparent who will have family visiting this summer, sign up your grandchildren. If you know neighbors who might be interested in bringing their children to a Movie Night, hand them a flyer. I think it will be a fun time for all involved.

For more information about the Kids Movie Nights or any other Family Ministry questions, contact me at prishooper@aol.com.

Have a great summer!

Your Sister in Christ,

Kids Movie Night

Children k-5th are invited to Kids Movie Nights this summer! Join us for dinner and a movie on the following Thursday nights from 5:30 to 7:30. The cost is \$10 per child with a \$25 family maximum. Please sign up in advance so we know how many children to expect.

Walk Against Hunger 2018

Saturday, May 5—Dunkin Donuts Park

THE 35th Annual Walk Against Hunger will be held on **Saturday, May 5, 2018** and step off at Hartford's Dunkin Donuts Park, home of the Hartford Yard Goats! Registration begins at 8:30am with walk at 10:00am. The route is less than 2 miles and will begin and end at DD Park. In 2017, \$529,717 was raised to help those who struggle with food insecurity in Greater Hartford. Funds raised from the walk support Foodshare and partner programs who serve the 127,000 people in Hartford and Tolland counties. Last year Foodshare was able to provide enough food for nearly 12 million meals to help feed the hungry in Greater Hartford. By supporting the Walk Against Hunger, you help continue this important work.

You don't have to walk to be a part of the Walk Against Hunger. Here are some of the ways you can help:

Volunteer to be on the St. James's team - Contact person is Barbara Schiller.

Encourage others to walk.

Please remember to check Loaves and Fishes Ministries, Inc. (Hartford) as the agency you would like to support.

Sponsor the walk by being a **Virtual Walker!** Make a contribution of any amount. Checks should be payable to Walk Against Hunger with Loaves and Fishes in the memo line.

Look for the registration forms on the table in the cloister. Questions? Call Barbara Schiller at 860-651-7332. More information is also available at: www.site.foodshare.org.

Toilet Paper and Towel Collection

RESPONDING to requests from those in need and the agencies that serve them, the outreach focus again this year for June will be the ever-popular toilet paper and paper towel collection.

Your contribution of rolls of toilet paper and paper towels will be distributed to individuals who come to the soup kitchens, food pantries, and to Hartford area shelters. Please place your donations at the entrances to the church. Remember, the emphasis is on quantity, not quality. Thank you!

Food Pantry Ongoing Needs

THE WH Food Pantry is in most need of the following items: Canned fruit/applesauce, canned meats, jelly, vegetable oil, canned tuna, canned baked beans, canned pasta ('spaghettios'), peanut butter, and rice. Please bring your donations to the church and place them at any of the entrances to the building. Remember to check expiration dates!

Seamen's Church Institute

THANK you for the many Christmas cards that you contributed for SCI! They have been cut up, had yarn strung through them, had greetings written on them and are off to Port Newark for inclusion in the packages that will go to mariners starting next fall. For their Christmas-at-Sea program, over 20,000 knitted items were collected last year, and that means a lot of boxes, each with a card enclosed. To quote from one thank you message: "The ship Columbine Maersk is a Danish-flagged container vessel with crew from Denmark, India, Thailand, the Philippines, Ukraine, England, and China. Thank you so much for the Christmas gifts the crew of our good vessel received." From your old cards to an international group on the high seas. From West Hartford to the world.

The United Thank Offering—May 20

What is the United Thank Offering?

THE United Thank Offering is a ministry of the Episcopal Church. Every coin from every Blue Box and Blue Envelope is given away in grants. Every cent you give, representing your thankful prayers today, is the dream for tomorrow's life and gives hope to people all over the world. Look for the blue boxes and envelopes around the church and chapel and use these to make your donations. We'll join together on **Pentecost Sunday, May 20** for our Ingathering service at 10:00 in the church to offer up our prayers of thanksgiving and our monetary gifts for those in need.
